Dear Business Owner,

Thank you for taking the opportunity to learn more about **Panthers Select Softball**. We are proud to be one of the largest youth softball organizations in South Central Pennsylvania and the owners of Crist Fields in Emigsville, PA. Our facility features five softball diamonds and a full-service concession stand, maintained with the support of dedicated volunteers.

Panthers Select hosts tournaments, clinics, and events throughout the year that bring players and families from across the region to York County. We have a proud tradition of developing players' softball skills and fielding competitive teams, while making a positive impact on our players and their families.

With the support of our sponsors, we provide affordable competitive softball opportunities to more than 150 players each season. Sponsorships help fund tournaments and clinics, replace equipment, maintain our facilities, and provide a safe environment for our players.

We invite local businesses, families, and friends to support Panthers Select by becoming a sponsor. In return, we offer opportunities to promote and recognize our sponsors throughout our organization and community. Please review the sponsorship levels on the following page and select the option that best fits your level of support.

Panthers Select Softball is a **501(c)(3) nonprofit organization**, and contributions are tax-deductible to the extent allowed by law. Our EIN is **82-5092202**.

Please email your completed sponsorship form and business logo to the address listed below. Vector artwork is preferred (**AI, EPS, PDF, or CDR**).
